REPORT ON START UP INDIA

India is fast emerging as a start-up nation. The Indian technology landscape has seen a tremendous growth towards creation of innovative startups and has emerged as the 3rd fastest growing hub for technology startups in the country. Start-up program strives for developing an entrepreneurial streak among students by helping them acquire an internship in the most spirited and exciting start ups of our country.

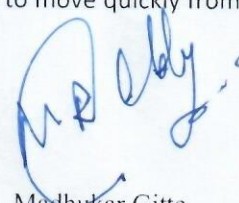

IQAC Cell of Clara's college of commerce organized Student Development program on start-up India on 28 January 2018. The Speaker for the lecture was Mr. Amit Khanzode who is presently working in Forbes Technosys PVT LTD. Activity was coordinated by Dr. Mamta Rajani.

Total beneficiary: - 59 students (Boys 32 & Girls 27)

In his lecture sir discussed the different ideas for entrepreneurship while looking at innovation leading to startup. He discussed the different concepts and issues related to upcoming entrepreneurs with reference to global examples and challenges in the world economy at large. He highlighted the top 3 qualities necessary for the success for start-up; team building, risk taking and entrepreneurial spirit. He elaborated that the passion for creating start-up business is formed by a series of success and through self. Motivation. He also involved students to discuss any of their ideas or business in-process so as to make it more realistic and opportunistic. The queries raised by the students were answered by Mr. Amit Khanzode in a gentle and polite way.

Sir ended the session by stressing on the need for a start-up core team to move quickly from their initial stages of forming, storming toward performing.
