Report on INTERNATIONAL YOGA DAY

Date: 21ST JUNE 2023

SDP/FDP: BOTH

Class – All Classes

Objective:

1. To create awareness amongst attendees about the importance of yoga.
2. To maintain better mental, physical, and intellectual health.

Organizer: NSS

Report

Yoga has a rich cultural history and has evolved over time. It has had a significant impact on different cultures and traditions. International Yoga Day is celebrated on June 21st every year, and it is a day dedicated to promoting global harmony and peace. It is a way to celebrate the unity of different cultures and traditions, and to spread awareness about the benefits of Yoga. It helps us to understand the purpose of life and how to survive in the changing environment. International Yoga Day aims to develop the habit of meditation amongst youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.

The International Yoga Day was celebrated on 21st June 2023 with great eagerness and enthusiasm at Clara's College of Commerce under the NSS Unit and coordinated by NSS PO and was attended by around 99 staff members and students. Prof. Ruchita Pandhare welcomed everyone and introduced the Chief Guest, Ms. Suman Pathania. . She is a certified yoga teacher. She explained various asanas like Tadasana, Trikonasana, Padahastasan, Vrikshasan, Vajrasana, Pranayama and the following were demonstrated by faculty members and students. She educated the gathering on various ways to cope up with stress and its management and thus live a healthy life. Before the demonstration, Ms. Suman pathania explained the meaning of Yoga, illustrated Pranayama, and elaborated on its importance and benefits. She demonstrated the various Asanas and stressed on the need to be practised every single day. She elaborated on the point that regular yoga practice leads to better mental, physical and intellectual health. It positively changes the lifestyle of the people and increases the level of well-being.

The day came to conclusion with the recitation of Shanti mantra and the students and teachers carrying home the message that,

**"Yoga is not for only one – it's for everyone,
Yoga is not for a day- it's for everyday."**

Number of Beneficiaries:

Category	Male	Female	Total
Students	40	47	87
Faculty	07	05	12
Total	47	52	99

Outcome: This celebration helped in spreading awareness about the importance of Yoga in our day-to-day life.

Report on Tree Plantation Drive

Date: 8th July 2023

SDP/FDP: BOTH

Class – All Classes

Objective:

- To express our concern to the environment,
- To beautify the areas for scenic beauty
- To promote environmental values and Institutional Social responsibility.
- To make the students aware about the importance of planting trees and restoring depleted & degraded land.

Number of Participants: 12

Organizer: NSS

Report

“Plant a memory, plant a tree, do it today for tomorrow.”

Nature is God's most beautiful creation. It facilitates the growth, development and nourishment of all its creatures. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important remedy today. Keeping this in mind the tree plantation drive was initiated by the NSS Unit of Clara's College Of Commerce on 8th July 2023 at St. Catherin Orphan Home, Andheri (W). This was a great initiative to make our atmosphere neat and clean. The campaign's main aim was to direct student's mind in constructive activities with the positive outcome through the facilitation of contributing to the society.

The volunteers brought various saplings. The students participated in the drive enthusiastically and helped each other in planting the saplings. A very first tree was planted by Sister Nirmala, Principal of St. Catherin School. Dr. Madhukar

Gitte, Principal of Clara's College of Commerce also planted a tree. The total trees planted by all others were more than 20 on the day. Volunteers took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same.

Such little steps taken together by the college and students will surely help in fostering strong mental and social health amongst today's youths so that they connect with their peers, their elders, their community and their environment.

Outcome:

Tree planting events connected to the students to the benefits of trees and Fostered environmental sensitivity in them. It also brought them closer to the environment.

Report on Competition on "MAKING BEST OUT OF WASTE"

Date: 17th July 2023

SDP/FDP: SDP

Class – All Classes

Objective: To create sensitivity for the environment by making the best out of waste with the help of recyclable things.

Number of Participants: 08

Organizer: Cultural Committee (Internal)

Report

Clara's College of Commerce organized a competition on creating better products out of waste things. The competition was organized on 17th July, 2023 at 11.00 a.m. in Room No. 57 (4th floor) for all students. The objective behind organizing the competition was to shape the creativity & innovation of the students.

Students were given 1 hour to display their creativity by using the waste products and evaluation was done by the judge Dr.Ratnaprabha Rajmane, principal of Clara's College of Education on the basis of 3 parameters, i.e., presentation, uniqueness, and utility of the final product. 1st prize was bagged by Dhwani Bhole of S.Y.BAF, followed by 2nd prize to Sudhir Sangipogi of S.Y.BMS & 3rd prize was bagged jointly by Shoheba Mansuri and Manisha Mali of S.Y.BMS.

Number of Beneficiaries:

Category	Male	Female	Total
Students	03	05	08

Outcome: This competition created awareness amongst students about the three R's, i.e., reduce, reuse & recycle, and also showcased their creativity and innovation.

Report on Old Age Home Visit

Date: 22-08 -2023

Level- College Level

Hours Devoted: 4 hours

Objective: To sensitize the students about the problems faced by the elderly, learn how to respect them, care for them and listen to their experiences and their advice.

Number of Participants: 15

REPORT

NSS unit of Clara's college of Commerce celebrated Senior Citizen Day with Aaji Care Elder Care Centre, Versova on 22 August 2023. Volunteers interacted with the elderly followed by an entertainment program with old music and dance. The inmates were very happy to interact and blessed everyone immensely. It was a joyous occasion which brought positive energy and rays of happiness among the elderly people.

They were presented with flowers as a token of appreciation by the students. NSS students were elated to perform on their favourite songs. The environment was filled with breath of fresh air. It was a humbling and rewarding experience. We were able to make out that they were very happy to have us there, and they also mentioned about it in their vote of thanks. They said that they'll look forward to our visit again.

Outcome: It allowed volunteers to connect with the elderly people, learn from their experiences, and reflect on the importance of spending time with and caring for the elderly.

Report on Coastal Cleaning Drive

Date: 16/09/2023

Level : Area Level

Hours Devoted: 3 hours

Objective:

1. To raise awareness among people about marine pollution.
- 2 To reduce garbage and plastic in the sea with the help of local people.

Number of Participants: 66

Organizer: NSS UNIT

Report

Every year thousands of tons of garbage winds up in the oceans, with at least 60% of that being composed of plastic material. Plastics, especially, last a very long time in the sea and are in such abundance that there are 46,000 individual pieces of plastic litter for every square mile of ocean! This is a dire situation for the health of the earth's oceans, which directly impacts the health of its people.

It's time to celebrate International Coastal Cleanup Day and help make the planet a cleaner, happier place for humans, plants, and animals.

On the occasion of International Coastal Cleanup Day, N.S.S. Unit of Clara's College Of Commerce , in association with Ekata Manch organized Beach clean-up drive on 16th September 2023 at Sagar Kutir ,Versova Beach . The aim behind the 'Beach Cleaning Drive' was to remove the plastic waste which was thrown by people and thrown out from the sea. Teams of volunteers spread all around the beach with disposable bags and collected many types of plastic waste.

The Drive was ended with giving the waste to the dumping van and meeting with the beach cleaning officials and leaving behind a clean beach. Volunteers have collected 120-130 bags of garbage which weighted around 25 kgs each.

Report on National Youth Week

1. Elocution/Declamation Competition

- **Date:** January 10th, 2024
- **Time:** 9.30 am to 10.30 am
- **Activity:** Declamation Competition on the topic "Mera Bharat Viksit Bharat @2047"
- **Participants:** 12 students (competitive) and 150 students (audience)
- **Venue:** 5th Floor Auditorium, College Campus

Learning Outcome: 12 passionate students delivered speeches envisioning a developed India in 2047, fostering patriotism and critical thinking among the 150 attendees. The judging panel, comprising eminent personalities like Mrs. Ratnaprabha Rajmane, Mrs. Jacintha Divyanesan, and Mrs. Upasana Roy, adds weight to the value and impact of the competition. **Key Takeaways** from Elocution/Declamation Competition: Vision for Developed India, patriotism and civic engagement, creative thinking and communication skills along with rich leaning experience and Importance of youth voice.

2. Training on Road Safety

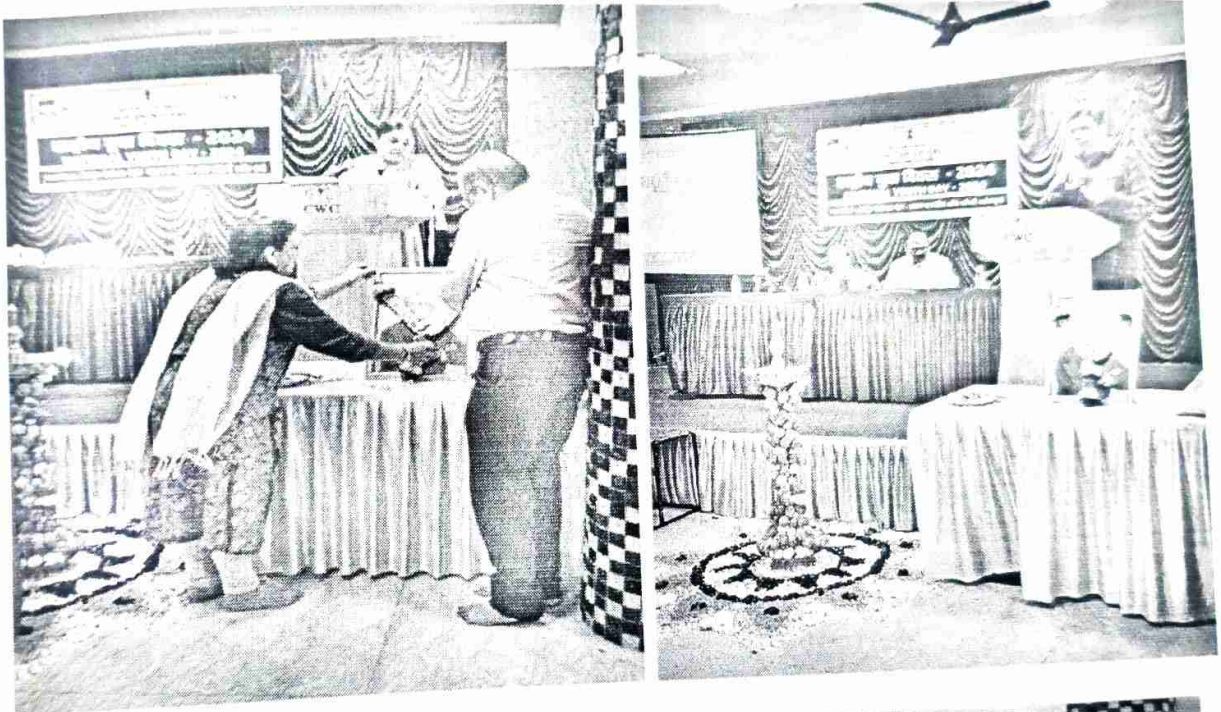

- **Date:** January 11th, 2024
- **Time:** 11.00 am to 1.00 pm
- **Activity:** Road safety training session
- **Participants:** 85 students
- **Venue:** Traffic Training Institute, Byculla

- **Learning Outcome:** The Mumbai Traffic Police equipped students with crucial knowledge and skills for safe road navigation through interactive sessions. The session incorporated interactive activities and exercises to make learning engaging and effective. This approach helped students retain information better and apply it to real-world situations. Students learned practical skills such as crossing roads safely, identifying traffic signals, and using public transportation responsibly. These skills will help them navigate the city's transportation system with confidence and minimize risks.

3. National Youth Day Celebration

- **Date:** January 12th, 2024
- **Time:** 9.00 am to 10.00 am
- **Activity:** Celebrating National Youth Day
- **Participants:** 106 students
- **Venue:** 5th Floor Auditorium, College Campus

Learning Outcome: The event commemorated Swami Vivekananda's birthday with film screenings, inspiring speeches, and discussions on the role of youth in nation-building, engaging 106 students. This event emphasized the power of young minds to drive positive change through active engagement and innovative thinking.

4. **Beach Cleanup Drive**

Date: January 13th, 2024

Time: 7.00 am to 9.00 am

Activity: Beach cleanup drive

Participants: 113 students

Venue: Versova Beach

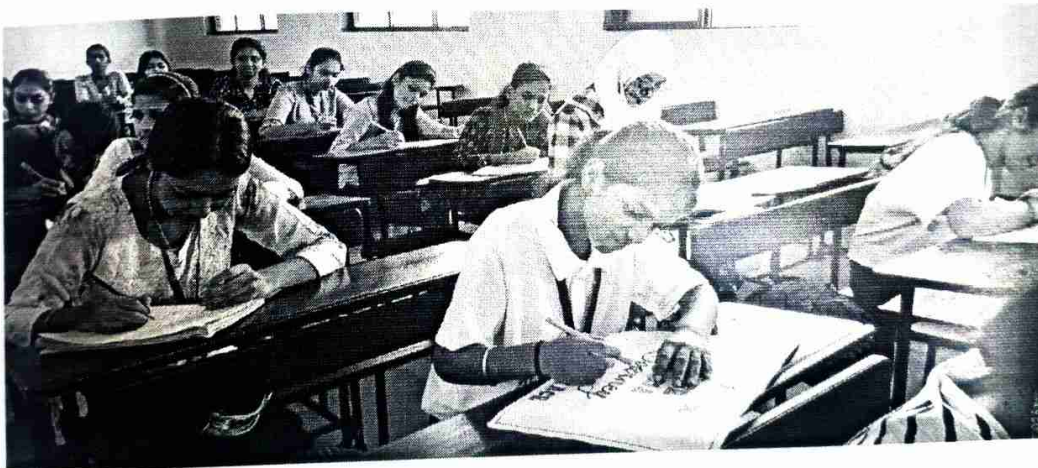

Learning Outcome: Demonstrating environmental awareness, 11 students contributed to a cleaner coastline through the Versova Beach cleanup drive. This initiative provided

a valuable learning experience, raising awareness about plastic pollution and inspiring students to become responsible towards the environment. The drive fostered a sense of teamwork and collaboration as students worked together to clean the beach and contribute to a common goal.

5. Essay and Poster Making Competition

- **Date:** January 15th, 2024
- **Time:** 9.00 am to 10.00 am
- **Activity:** Essay and poster making competition
- **Themes:** Essay - Beyond Rules: Cultivating a Culture of Road Safety; Poster – Life is a Journey, Take it Slow
- **Participants:** 97 students
- **Venue:** 5th Floor Auditorium, College Campus

- **Learning Outcome:** 97 students participated, expressing their ideas on promoting road safety through creative writing and visual art, showcasing their understanding and commitment to this crucial issue. The Essay and Poster Making Competition served as a platform for students to raise awareness, share ideas, and inspire others to prioritize

road safety. This approach engages students beyond conventional learning and encourages them to think critically and express their ideas in unique ways.

6. Street Play on Drive Smart, Arrive Alive

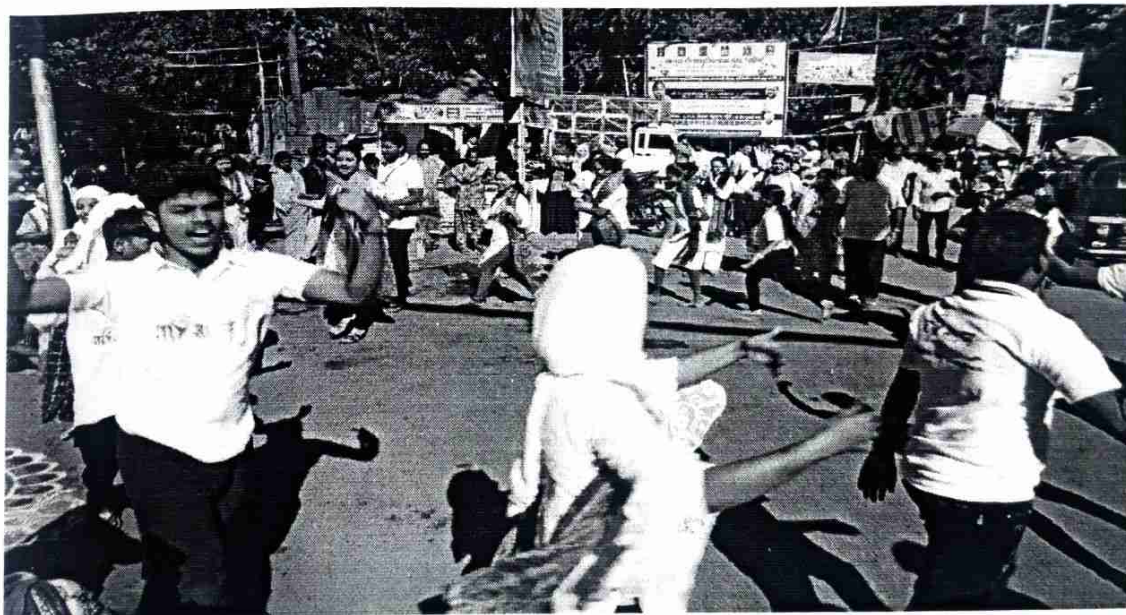

Date: January 15th, 2024

Time: 10.00 am to 11.00 am

Activity: Street play performance on road safety awareness

Participants: 30 students

Venue: Versova Local Area

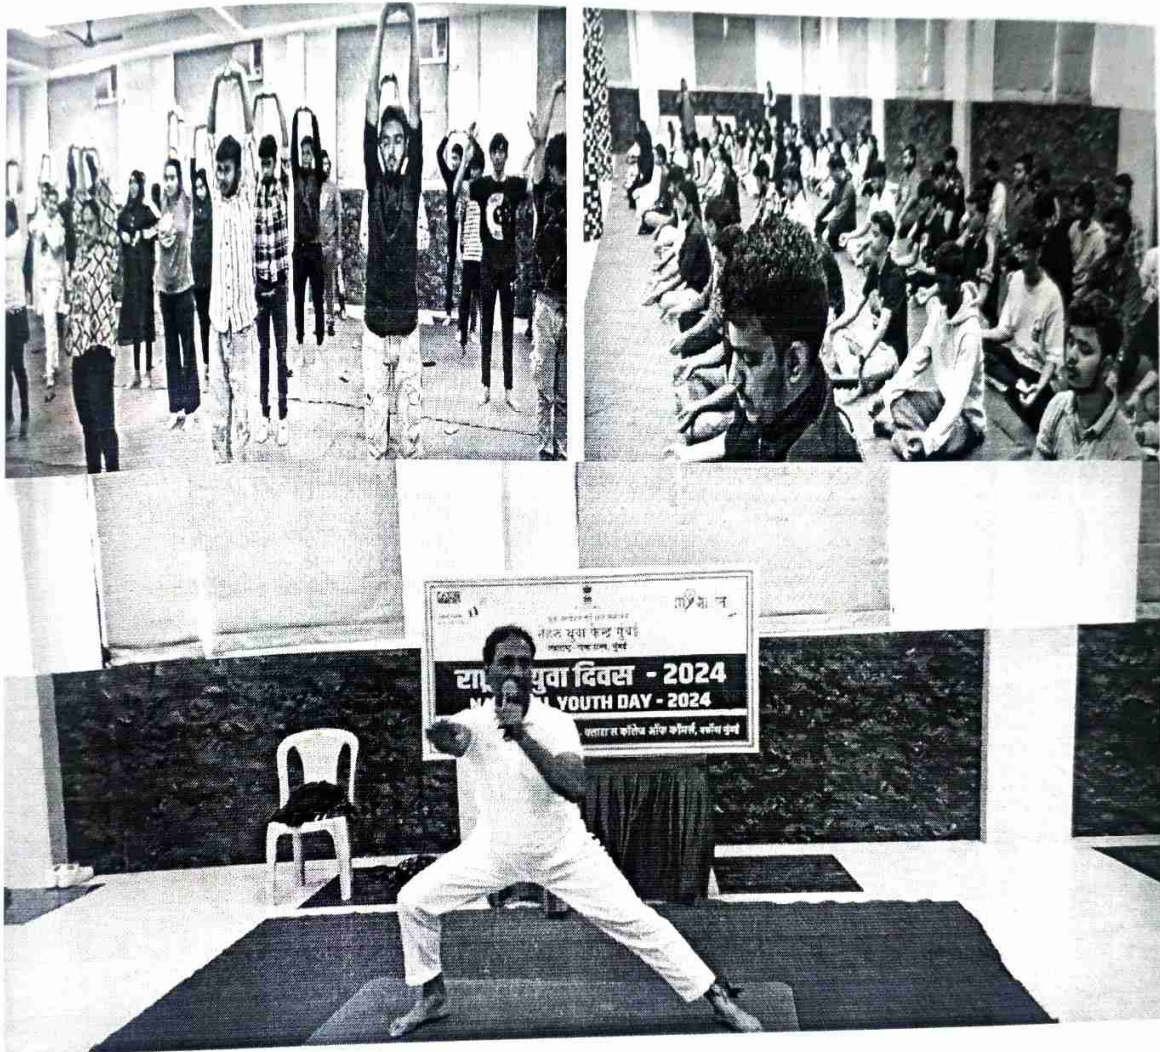

Learning Outcome: A student-led street play in Versova engaged the local community through impactful performance, spreading the message of responsible driving and safe practices. Street plays utilize a dynamic format that readily grabs attention and resonates with audiences. This approach proved impactful in reaching the Versova community and effectively conveying the message about road safety. Performing in

Versova allowed the students to directly connect with the community they are a part of. This localized approach can have a lasting impact on residents' awareness and behavior.

7. Yoga Training Session

- Date: January 16th, 2024
- Time: 8.00 am to 9.00 am
- Activity: Yoga training session
- Participants: 85 students
- Venue: 5th Floor Auditorium, College Campus
- Resource Person: Mr. Mukesh Bhrampal Singh

- **Learning Outcome:** Conducted by respected yoga instructor Mr. Mukesh Bhrampal Singh, the session offered students an opportunity to improve their physical and mental well-being. Through asanas and mindful breathing, they discovered tools for both physical strength and mental peace, enriching their overall well-being. This experience instilled the importance of holistic wellness in student lives.

8. **Rally on Road Safety**
- **Date:** January 17th, 2024
 - **Time:** 9.00 am to 10.00 am
 - **Activity:** Rally for road safety awareness
 - **Participants:** 176 students
 - **Venue:** Versova Local Area

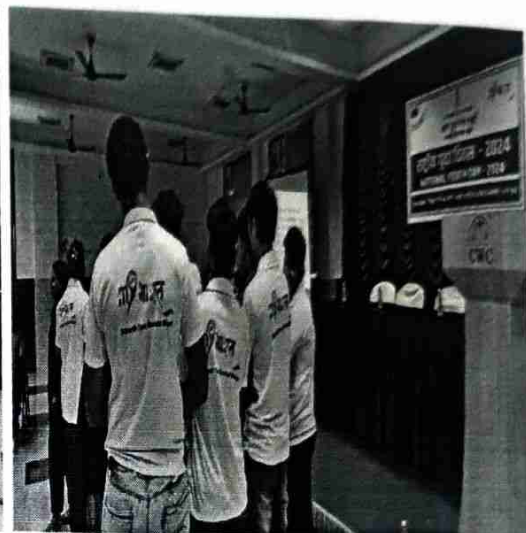

- **Learning Outcome:** 176 students actively participated in raising awareness about crucial road safety measures through a rally in the Versova local area. The rally highlighted the crucial role young people play in advocating for responsible driving and safe practices, paving the way for a safer community for everyone. The rally took place in Versova itself, directly engaging the local residents and raising awareness about road safety issues relevant to their everyday lives. This localized approach can have a lasting

impact on residents' behavior and choices. This participation creates a powerful impact and sends a strong message about the importance of safe practices.

9. **Lecture on Skill Development**

- **Date:** January 18th, 2024
- **Time:** 10:00 am -12:00 noon
- **Activity:** Workshop on skill development
- **Participants:** 71
- **Venue:** 5th Floor Auditorium
- **Resource Person:** Mrs. Ratnaprabha Rajmane and Mrs. Upasana Roy

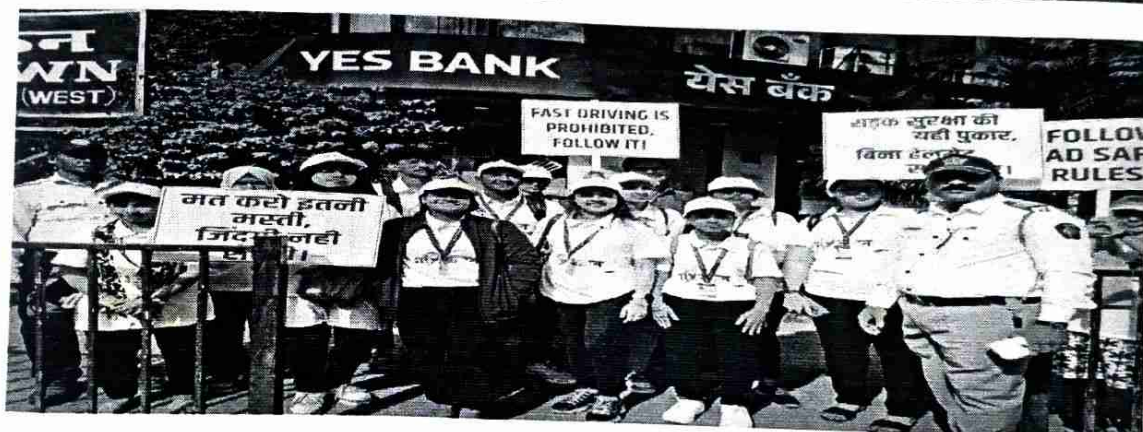

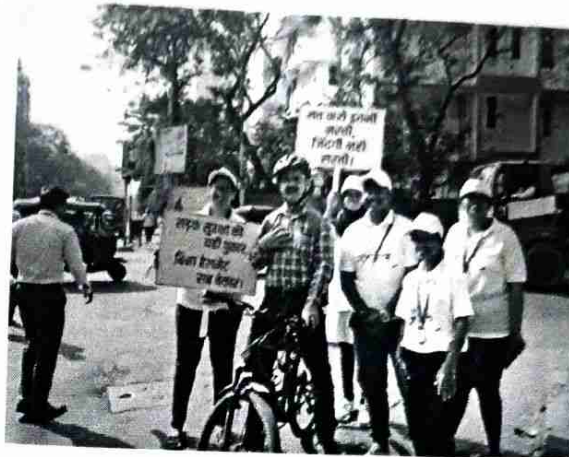

- **Learning Outcome:** From theory to practice: This session bridged the gap between knowledge and action, equipping students with practical skills that can be implemented practically. The session was helpful in sharpening the skills, sparking the curiosity. The session acts as an interactive workshop for dynamic discussions, and hands-on learning experiences.

10. Road Safety Awareness Drill with Andheri Traffic Police

- Date: January 19th, 2024
- Time: 9:00 am-11:00 am
- Activity: Road Safety Awareness Drill with andheri Traffic Police
- Participants: 53
- Venue: Mhada Signal, Model Town, Near Gyan Kendra School, Four Bungalows Kamdhenu; Andheri

Learning Outcome: 53 students actively participated in a road safety awareness program in Andheri along with the Andheri Traffic Police. This collaborative initiative strengthened the college's partnership with law enforcement, furthering their shared goal of creating a safer road environment for the community. Participants gained knowledge about various road safety rules and regulations, including traffic signals, pedestrian crossings, safe driving practices, and emergency procedures.

Report on Industrial Visit Cum Practical Film Making Session

Date: 28TH JANUARY 2024

Duration : 5 hours

SDP/FDP: SDP

Class: BAMMC

Number of Participants: 07

Objective of the Visit: The primary objective of the Industrial Visit Cum Practical Film Making Session was to explore and experience the exhibits, artifacts, and interactive displays at the National Museum of Indian Cinema, gaining a deeper understanding of Indian cinema's heritage and legacy.

The BAMMC Department of Clara's College of Commerce had organized Industrial Visit Cum Practical Film Making Session on 28th January August 2024 at National Museum of Indian Cinema (NMIC), film division, Pedder Road. Ms Neha Parwani & Ms. Minakshi Kandari, faculty of BMM Dept. joined the students and special thank to Chetn Mathur sir to guide to the BAMMC students

Introduction: The Industrial Visit Cum Practical Film Making Session to the National Museum of Indian Cinema (NMIC) in Mumbai provided an enriching experience, offering insights into the evolution, history, and cultural significance of Indian cinema. Located in the heart of Mumbai, Maharashtra, the museum stands as a testament to India's vibrant film industry and its global impact.

Highlights of the Visit

1. Exhibits and Displays: The museum boasts an extensive collection of artifacts, memorabilia, and audio-visual displays that trace the journey of Indian cinema from its inception to the present day. The exhibits are categorized into various sections, highlighting different aspects of the industry. The museum takes visitors on a journey back in time to the era of silent films and the pioneering efforts of early filmmakers. Original equipments, posters, and artifacts from the nascent years of Indian cinema are on display.

2. Golden Era: A dedicated section honors the Golden Era of Indian cinema, featuring iconic films, posters, and costumes from the 1950s and 1960s. Visitors can relive the magic of legendary actors and filmmakers who shaped this period.

3. Regional Cinema: Recognizing the diversity of Indian cinema, the museum showcases regional films from various states, celebrating the unique storytelling styles and cultural nuances of each region.

4. Contemporary Cinema: The museum doesn't just dwell on the past but also embraces the present and future of Indian cinema. Contemporary films, behind-the-scenes glimpses, and interactive displays engage visitors in the current cinematic landscape.

5. Technological Advancements: An integral part of the museum is dedicated to the technological evolution of Indian cinema. From the transition to color films to the digital era, the museum elucidates the advancements that have shaped the industry.

The NMIC offers a captivating and immersive experience for cinephiles and casual visitors alike. The interactive nature of exhibits, audio-visual installations, and the use of cutting-edge technology make the museum a dynamic and engaging place to explore.

Outcomes:

Beyond being a repository of cinematic history, the NMIC serves as an educational hub. It conducts workshops, seminars, and film screenings, fostering a deeper understanding of the art and craft of filmmaking among Mass Media students.

Industrial Visit Report Silvassa AY 2023-24 – 29th January 2024

A total of 91 students from the BMS & BAF Section visited the factory of Euro Décor Pvt Ltd in Dadra.

The bifurcation is as under

Sr. No	Section	Male	Female	Total
1	BMS	32	39	71
2	BAF	04	16	20
	Total	36	55	91
	Teachers	03	03	

They were accompanied by Assistant Prof. Amit Ashok Banod, Asst.Prof. Kajal Jaiswal, Asst Prof Vijaykumar Makwana, Asst Prof. Reetesh Singh, Asst Prof Dr. Sakshi Kumar & Asst. Professor Ruchita Pandhare.

At the start of their visit to the factory the students were given a briefing of the rules and guidelines to be followed (Do's & Don'ts within the factory premises), the students were taken to the seminar hall.

Brief Profile of Euro Décor Pvt. Ltd.

The company is a leading manufacturer of Decorative product industry of India for last twenty five.

Their Products range include

- Decorative Laminates or popularly known as Mica In India
- Decorative Veneers
- Plywood (Marine & Commercial)
- Flush Doors
- Dyed Veneers

The Silvassa manufacturing facility was established in 1998 and is spread across 2,50,000 Square Feet (6 acres) and is equipped with the following capacities for manufacturing of various products.

- Two Million Square Meters/Year Prelaminated Boards
- Two Million Square Meters/Year Decorative Veneers
- 24 lac Pieces /Year of Decorative Laminates

The Factory Floor Manager Took the children in Batches and explained the manufacturing process

Raw Materials

1. The outer layers of plywood are known respectively as the face and the back. The face is the surface that is to be used or seen, while the back remains unused or hidden. The center layer is known as the core. In plywood's with five or more plies, the inter-mediate layers are known as the cross bands.
2. Plywood may be made from hardwoods, softwoods, or a combination of the two.
3. Adhesive used to bond the layers of wood together.

The Manufacturing Process

The trees used to make plywood are generally smaller in diameter than those used to make lumber

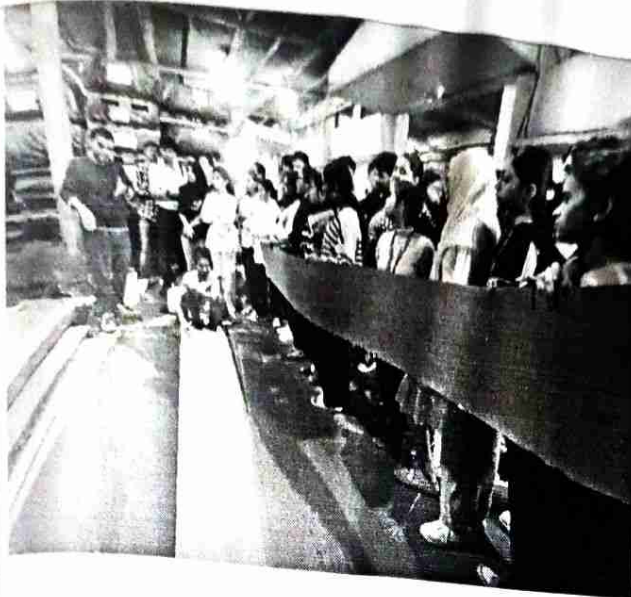

Making the veneer

- Before the veneer can be cut, the peeler blocks must be heated and soaked to soften the wood. The blocks may be steamed or immersed in hot water. This process takes 12-40 hours depending on the type of wood, the diameter of the block, and other factors.
- The heated peeler blocks are then transported to the peeler lathe (rotates the log around its axis), where they are automatically aligned and fed into the lathe one at a time. As the lathe rotates the block rapidly about its long axis, a full-length knife blade peels a continuous sheet of veneer from the surface of the spinning block
- The long sheet of veneer emerging from / the peeler lathe may be processed immediately, or it may be stored in long, multiple-level trays or wound onto rolls
- The sections of veneer are then sorted and stacked according to grade. he sorted sections are fed into a dryer to reduce their moisture content and allow them to shrink before they are glued together.
- A mechanical dryer is used in which the pieces move continuously through a heated chamberto speed the drying process.

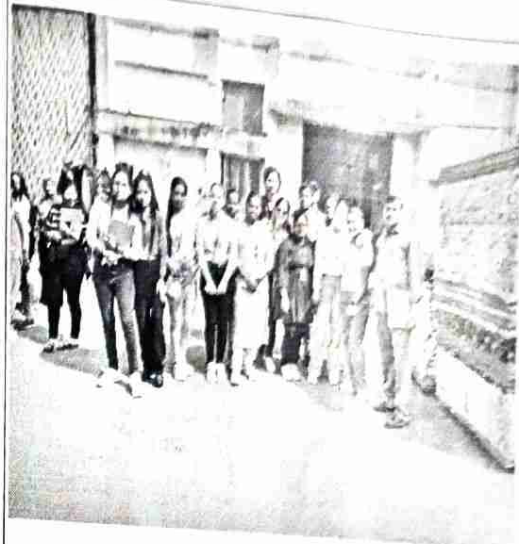

Forming the plywood sheets

- When the appropriate sections of veneer are assembled for a particular run of plywood, the process of lying up and gluing the pieces together begins. This may be done manually or semi-automatically with machines.
- The glued sheets are loaded into a multiple-opening hot press. When all the sheets are loaded, the press squeezes them together under a very high pressure. At the same time heating them to a temperature of about 100-150°C.
- After a period of 2-7 minutes, the press is opened and the sheets are unloaded.
- The rough sheets then pass through a set of saws, which trim them to their final width and length.
- The finished sheets are stamped with a grade-trademark that gives the buyer information about the exposure rating, grade, mill number, and other factors.

Report on Research Project Presentation Competition

Date: 14th March 2024

Venue: IT Lab

Time: 9:00 AM

SDP/FDP: SDP

Organizers: IQAC and Research Committee

Beneficiaries: 49

Overview:

The Research Project Presentation Competition was held on 14th March 2024 at the IT Lab, with participants from the TYBMS and TYBAF sections showcasing their research projects. The event was organized by the Internal Quality Assurance Cell (IQAC) and Research Committee to promote academic excellence and research culture among students.

Participants:

Students from M.Com, TYBMS and TYBAF sections enthusiastically participated in the competition, demonstrating their research projects through PowerPoint presentations.

Coordination and Judging:

The event was coordinated and judged by esteemed faculty members, namely Dr. Babita Kanojia, Dr. Sakshi Kumar, and Mr. Vijay Kumar. Their expertise and guidance ensured the smooth conduct of the competition and fair evaluation of the presentations.

Winners:

After careful evaluation, the following students emerged as winners:

- 1. First Position:** Ms. Hafsha Mansuri from TYBMS section delivered an outstanding presentation, securing the first position. Her research project demonstrated a high level of innovation, depth, and relevance.
- 2. Second Position:** Kinjal Rodrigues, also from TYBMS section, impressed the judges with her well-researched presentation, earning the second position. Her project showcased meticulous analysis and critical thinking.
- 3. Third Position:** Khadija Sakri from the TYBAF section secured the third position with a commendable presentation. Although the name was not specified, the student's effort and contribution were acknowledged by the judging panel.

Beneficiaries:

Class	Male	Female	Total
TYBMS	13	16	29
TYBAF	05	13	18
M.Com	01	01	02
Total	19	30	49

Conclusion:

The Research Project Presentation Competition provided a platform for students to exhibit their research skills, creativity, and academic prowess. The event not only fostered healthy competition but also encouraged students to delve deeper into their respective fields of study.

Report on Session on 'New Education Policy – The Way Ahead'

Date: 16th April 2024 at 8.30 am

FDP/SDP: FDP

Total number of Participants:

Sr. No	Staff	Male	Female	Total
1	Teaching Staff	05	08	13
2	Non- Teaching Staff	02	01	03
Total		07	09	16

Objective: To acquaint the participants with New Education Policy 2020 which is being implemented from Academic Year 2024-25.

One Day session on National Education Policy (NEP) 2020 was organized by the IQAC Cell on 16th April 2024 at 8.30 am. Mr. Amit Ashok Bansod an inhouse faculty was the resource person for the session.

The resource person highlighted on the following points:

- Current problems faced by Higher Education in India
- The overall changes that were mentioned on the NEP 2020 with relate to Higher Education.
- Flexibility offered by the new framework.
- NEP 2020 focuses on educational system which would be more Holistic and multi-disciplinary education.
- NEP also seeks to encourage critical thinking and spirit of enquiry.
- NEP 2020 has flexible UG courses with multiple entries and exits.
- NEP 2020 focuses on the use of technology in higher education and has greater autonomy and multidisciplinary approach.

The session ended with an interactive session where doubts were answered.

Report prepared by Asst. Professor Ms. Kajal Jaiswal.

Report on "Participation in Selection Round of 18th Aavishkar Research Convention"

Date: 12/12/2023

Duration: 8 Hours

SDP/FDP/Class: SDP

Title: Participation in Selection Round of 18th Aavishkar Research Convention"

Name of Resource Person: NA

Objectives: To develop scientific temper among students

No. of participants/Beneficiaries: 02

Organizer: Thakur College of Science and Commerce, Kandivali, Mumbai

Report

Clara's College of Commerce participated in the 18th Aavishkar: Inter-Collegiate /Institution/Department Research Convention (Zonal Round) on 12th December 2023. The organizer for the selection round for Zone III Mumbai III (Bandra to Dahisar) was Thakur College of Science and Commerce, Kandivali, Mumbai.

The convention took place in two categories namely undergraduate and postgraduate which further divided into 6 sub categories each. The six categories were:

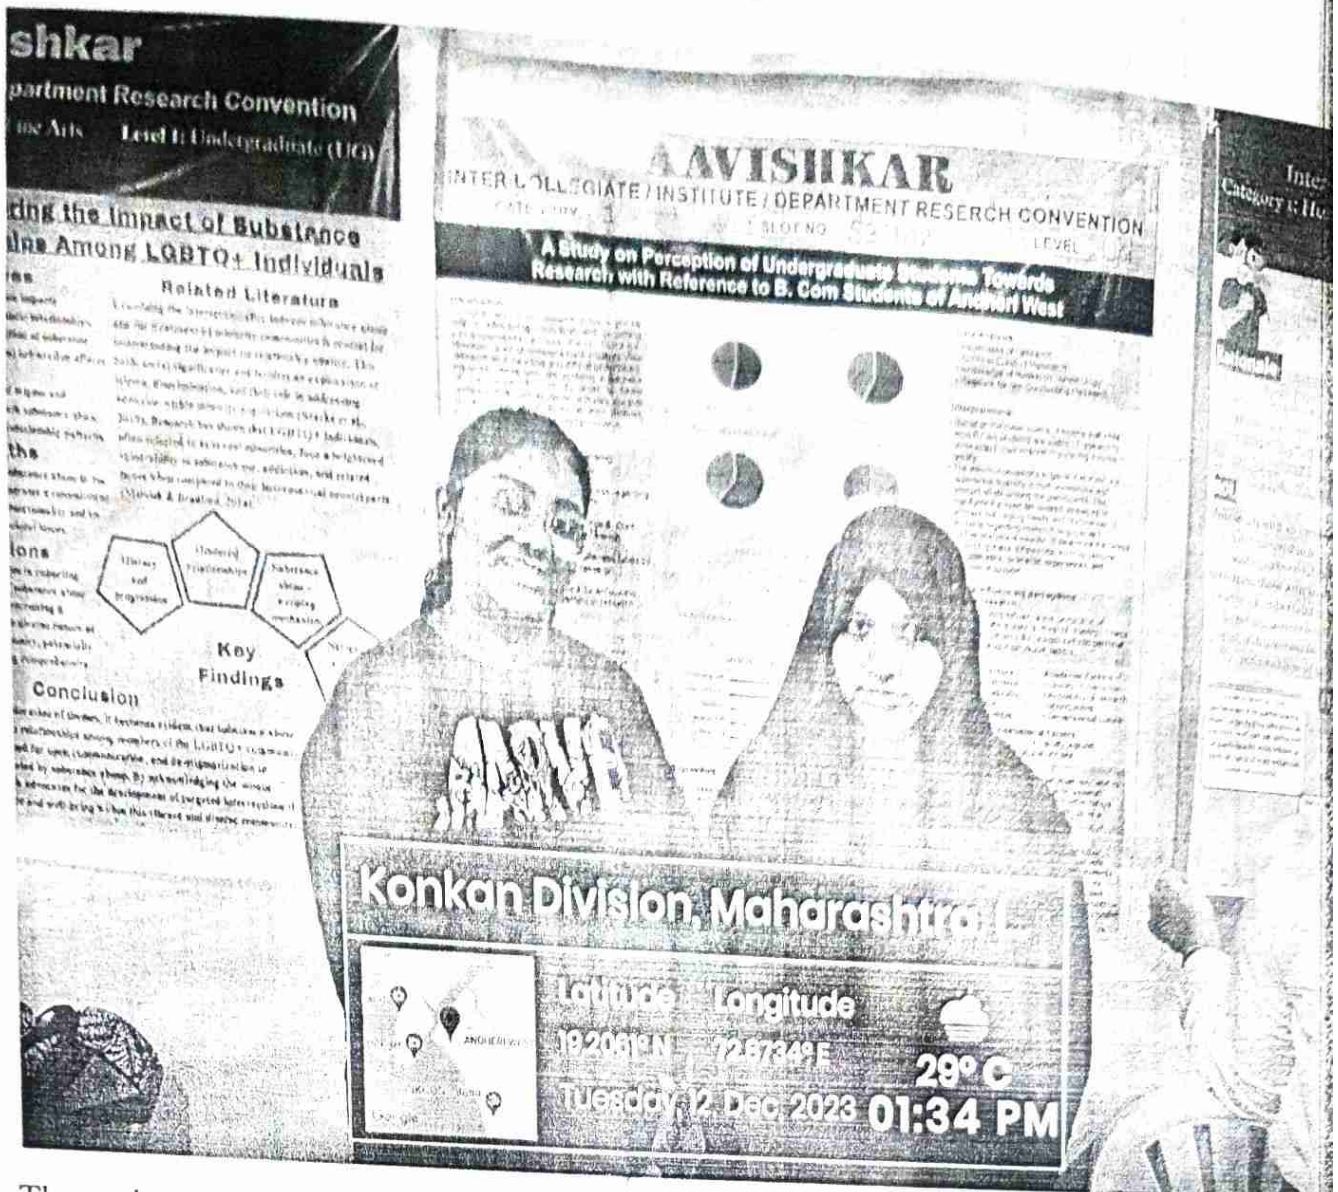

1. Humanities, Languages and Fine Arts
2. Commerce, Management and Law
3. Pure science
4. Agriculture and animal Husbandry
5. Engineering and Technology
6. Medicine and Pharmacy.

We had participated from Zone III. The selection round was on Tuesday December 12th, 2023 at Thakur College of Science and Commerce, Kandivali, Mumbai.

From our college, one team from the undergraduate section had participated in the sub category- Humanities, Languages and Fine Arts under "Under graduate category".

The participants details-

	Name	Class	Roll No.	Gender
Presenter	Ms. Shaikh Nazia	FYBCOM	56	Female
Member	Ms. Shaikh Sania Nayum	FYBCOM	57	Female

The project was guided by Dr. Babita Kanojia, Dr. Sakshi Kumar and teacher coordinator for the team was Asst.Prof. Reetesh R. Singh. The project was "A Study on Perception of Undergraduate Students Towards Research with Reference to B. Com Students of Andheri West.

The students were accompanied by teacher Mr. Reetesh R. Singh and they reported to the venue at 8.30 am. In the selection round, Ms. Shaikh Nazia (presenter) presented the project in the Poster presentation round but unfortunately they could not make it to the final round.

Report on Bridge Course on Fundamentals of Accountancy

Date: 24/6/23 to 6/7/23

SDP/FDP: SDP

Venue: Room No 71 5th Floor

Name of the resource person: All the Accounts Faculty

Objectives: - To strength the basics of accounts of SY & TY students

No of Beneficiaries: - 51

Organizer IQAC & All Department

Report:-

A Bridge Course on Fundamentals of Accountancy was held by the IQAC and All Departments from 24 June 2023 till 6th July 2023 for the Second and Third Year Students. The main objective of this course was to revise the basics of accounts and also to strengthen the basics of accounts of the students who are weak and have difficulty in accounts. A Bridge course aims to cover the gap between the understanding level of the high school courses and higher educational courses. The course was specifically held to strengthen the accounts and also ensure that they are well versed with it. At the end of the course a small test was held to assess the knowledge obtained by the students during the course. The question paper included objective type questions from all the modules that were taught to the students. The following modules were covered during the bridge course

Module	Particulars
1	Introduction to accounts.
2	Books of original entry
3	Reconciliation Statement
4	Trial Balance & Final Accounts
5	Issue of Shares and Debentures

Outcome: This session was beneficial for the students as it will help them to solve accounts easily as their concepts are cleared

Class	Male	Female	Total

Report on "Add-on Course on Ethos in Management"

Date: 05/09/2023 to 16/09/2023 **Duration:** 3 Hr for 10 days **SDP/FDP/Class:** SDP

Title: "Add-on Course on Ethos in Management"

Name of Resource Person: Mr. Reetesh R. Singh

Objectives: To aware participants about importance of Indian ethos in management.

No. of participants/Beneficiaries: 63

Organizer: IQAC & All Departments

IQAC with all departments of Clara's College of Commerce conducted an "Add-on Course on Ethos in Management" from 5 September 2023 to 16 September 2023. The course was for 10 days and the timing was 10.00 am to 1.00 pm. The course was conducted in AV room on the 5th floor. The speaker was Mr. Reetesh R. Singh. Mrs. Jisha Varghese welcomed the speaker and introduced the speaker to participants on the first day of course.

Mr. Reetesh R. Singh conducted the course in ten sessions as follows:

Day 1: Introduction to Ethos and Management: Mr. Reetesh R. Singh gave an overview of the course objectives and structure and introduced the key concepts such as ethos, organizational culture, and management principles.

Day 2: Ice-breaking Activities and Group discussions: Ice-breaking activities and group discussion was organised to familiarize participants with each other and the subject matter.

Day 3: Ethical Theories: Mr. Reetesh R. Singh explained the various ethical theories and their application in management contexts. He shared various case studies exploring ethical dilemmas faced by organizations and managers.

Day 4: Importance of Indian Ethos in Management: He explained the necessity of taking lessons from Indian management.

Day 5: Leadership Qualities: The role of leadership in shaping organizational ethos was explained in detail.

Day 6: Organizational Cultures: The analysis of different types of organizational cultures and their impact on performance was explained.

Day 7: Ethical Decision Making: Ethical dilemmas and problem-solving exercises to prepare for decision making was explained.

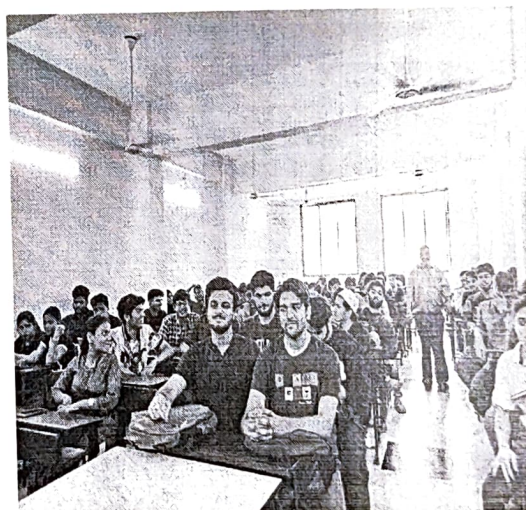

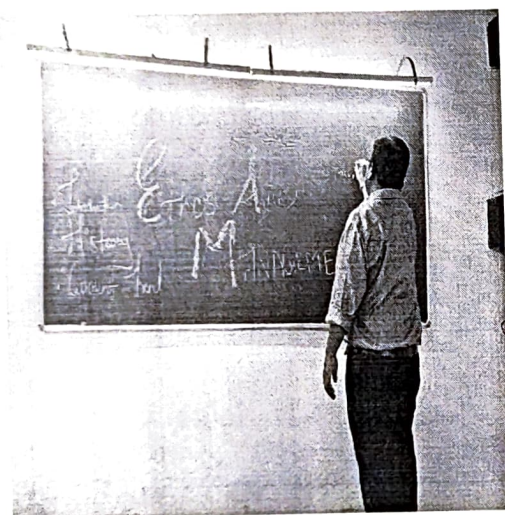

Day 8: Real-World Experiences: Mr. Reetesh R. Singh shared his real world experience to inspire participants to use ethical practices.

Day 9: Integrating Ethos into Management Practices: The ways of integrating ethos into management practices was discussed.

Day 10: Evaluation of the Course: Lastly evaluation of the course was conducted by asking questions to students.

Mr. Reetesh R. Singh conducted the course smoothly and throughout the course, students actively participated in discussions. By the end, all students gained a lot of knowledge and understood the importance of Indian ethos in management. Mrs. Ruchita Pandhare gave the vote of thanks. All the participants were awarded with certificates at the end of course completion.

Details of beneficiary: 26 female and 37 male students completed the course.

A REPORT ON COMPLETION OF AN ADD ON COURSE ON
Database Management System

Report on Add On Course on Database Management System (DBMS)

Date: 05th February to 14th February , 2024

Time: 11:00 am to 2:00 pm

Duration : 10 Days

SDP/FDP: SDP

Class: All Classes

Mode: Offline

Number of Participants: 64

Department : IQAC & All Departments

Resource Person: Ms. Dhanashree Adam

Clara's College of Commerce conducted an Add-on course on DBMS (Database Management System) from 05th February , 2024 to 14th February , 2024. Following were the objectives of this course:

Objectives:

1. A key objective of a DBMS is to maintain data integrity. A DBMS enforces rules and constraints on the data, ensuring that all data is accurate and consistent
2. Data security is critical in any DBMS, as it helps to protect information from unauthorized access and modification.
3. Data independence means that the upper levels in DBMS are unaffected by the changes made at the lower levels.
4. DBMS follows ACID property, which makes sure the database always remains in a good state.
5. A DBMS can be programmed only to allow unique values in a specific field, preventing duplicate entries.

Report:

Sessions were conducted from 11:00 am to 02:00 pm (03 hours) everyday, following topics have been covered each day:

- Day 1. Introduction to DBMS
- Day 2. Entity Relationship Model
- Day 3. Relational Model
- Day 4. Functional Dependencies

- Day 5. Normalisation
- Day 6. File Organization
- Day 7. SQL
- Day 8. Relational Algebra
- Day 9. Transactions and Concurrency Control
- Day 10. ER Model

A database is an organized collection of information. A database management system (DBMS) allows entering, storing, manipulating and retrieving information organized into databases. DBMS is a collection of programs that enable users to create and maintain a database. The DBMS is hence a general purpose software system that facilitates the processes of defining, constructing and manipulating databases for various applications. Database management system (DBMS) consists of a collection of interrelated data and a set of programs to access that data. The collection data is usually referred to as a database which contains information about one particular enterprise.

Outcome:

1. Improved data integrity and consistency.
2. Improved data accessibility and control.
3. Reduced data redundancy and inconsistency.
4. Provides a platform to access and share data faster.
5. Better data backup and recovery.

Beneficiaries of the Course:

Number of Registered Students	85
Number of Male Participation	45
Number of Female Participation	19
Number of Total Participation	64

Report on Add-on Course on Fundamental Knowledge of Mathematics & Statistics

Date: 2nd March 2024 to 22nd March, 2024

Duration: 30 hours

SDP/FDP: SDP

Class: All Classes

Mode: Offline

Number of Participants: 60

Department: IQAC & All Departments

Name of the Resource Person: Mr. Surendra Choudhary.

Objective: The College provides an array of Add-on opportunities to the students, with the central objective of supplementing their academic curricula even as they pursue their own university courses within the stipulated period. The objectives of the course was to provide participants with a strong foundation in mathematical and statistical concepts.

Introduction:

Clara's College organized an Add-on course from 2nd March 2024 to 22nd March 2024, focusing on Fundamental Knowledge of Mathematics & Statistics. The course aimed to equip participants with a thorough understanding of essential mathematical and statistical concepts applicable across various fields. Mr. Choudhary, a highly esteemed academic renowned for his extensive experience in teaching mathematics and statistics, was the resource person for the course. His expertise and interactive teaching approach significantly contributed to the program's success. Mr. Choudhary's talent for simplifying complex concepts and engaging students was particularly noteworthy. The course spanned 30 hours, attracting enrollment from approximately sixty students, all of whom successfully completed the program.

Course Structure:

The course was structured to cover a wide range of topics over the 10 days duration. Each day was dedicated to specific themes, ensuring a systematic approach to learning.

Day 1: Fundamentals of Mathematic- Basic Arithmetic Operations

On the first day students are taught to understand and apply the symbolic representations of algebraic operations including addition, subtraction, multiplication, and division. The lesson began by introducing the concept of algebraic operations and explaining to students that algebraic operations involve addition, subtraction, multiplication, and division, represented by specific symbols. Provide examples of each operation and guide students through solving them step by step. Sir, encouraged the students to attempt solving problems independently and ask questions as needed and also distribute worksheets with algebraic expressions for students to practice.

Day 2 : Foundation of Mathematics

On the second day, Sir taught the learning of squares, linear equations, and quadratic equations encompassing developing foundational mathematical skills, problem-solving abilities, and the ability to apply mathematical concepts in various contexts, laying the groundwork for further study and real-world applications. Overall, these concepts form the building blocks of algebraic thinking and are essential for further study in mathematics and their practical application in diverse contexts.

Day 3: Vedic Mathematics

On the third day, Sir stressed out the importance of Vedic math and he elaborated in Vedic mathematics, students have learned ancient techniques for quick and efficient mental math.

These methods cover arithmetic operations like addition, subtraction, multiplication, and division, employing innovative approaches such as digit sums and sutra-based techniques. Vedic math emphasizes pattern recognition and mental math strategies, Vedic mathematics enhances students' calculation speed and accuracy, equipping them with valuable skills applicable in academics and everyday life.

Day 4: Trigonometry Knowledge

Mr. Choudhary covered key aspects of trigonometry, including trigonometric ratios like sine, cosine, and tangent, along with fundamental identities and methods for solving triangles. He emphasized graphing trigonometric functions and their real-world applications in determining distances, angles, and heights. Additionally, students learned techniques for solving trigonometric equations using inverse functions and identities, providing a solid foundation for practical and mathematical use.

Day 5: Graph & Bar Diagram

Mr. Choudhary Sir, provided instruction on graph and bar diagram representations, where he emphasized understanding the basics of graphing, including plotting points, labeling axes, and interpreting data. He also explained the construction and interpretation of bar diagrams, illustrating how they visually represent categorical data. Throughout the lessons, additionally, practical applications of graphs and bar diagrams were demonstrated, allowing students to analyze and interpret data sets across various disciplines.

Day 6: Numerical Analysis

Mr. Choudhary Sir provided instruction on graph and bar diagram representations, where he emphasized understanding the basics of graphing, including plotting points, labeling axes, and interpreting data. He also explained the construction and interpretation of bar diagrams, illustrating how they visually represent categorical data. Throughout the lessons, Mr. Choudhary underscored the importance of clear presentation and accurate labeling to effectively convey information. Additionally, practical applications of graphs and bar diagrams were demonstrated, allowing students to analyze and interpret data sets across various disciplines.

Day 7: Use of Mathematics in Business

Mr. Choudhary Sir, highlighted how math drives business decisions, covering financial analysis, optimization, and decision-making techniques. Through ratio analysis, trend analysis, and forecasting, students learned to analyze financial data effectively. They also explored mathematical models for optimizing processes, resource management, and strategic planning, equipping them to make informed decisions crucial for business success.

Day 8: Mathematics for Research Methods

Sir taught advanced research methods in mathematics, covering hypothesis testing, data analysis, statistical modeling, and mathematical software. Through practical projects and discussions, students developed critical thinking skills essential for conducting mathematical research effectively.

Day 9: Operational Research

He provided condensed instruction in Operational Research (OR), covering topics like linear programming, network analysis, queuing theory, and inventory management. He emphasized optimization techniques such as integer programming and dynamic programming, showcasing their practical applications in decision-making. Through practical exercises and case studies, students gained valuable problem-solving skills for addressing operational challenges effectively.

Day 10: Financial Mathematics

Financial Mathematics was taught covering key topics like interest rates, simple and compound interest, annuities, and loan amortization. Students learned about present and future values, aiding in investment evaluation and financial decision-making. Practical applications such as budgeting and retirement planning were emphasized, providing valuable skills for financial management.

Participant Feedback:

Participant feedback was overwhelmingly positive, with many expressing appreciation for the course content and Mr. Choudhury's teaching methods. Key highlights from the feedback include:

- Clear explanation of concepts, making them easy to understand.
- Engaging activities and practical examples that enhance learning.
- Interactive sessions that encouraged participation and collaboration.
- Relevance of the course content to participants' academic and professional endeavors.

Conclusion:

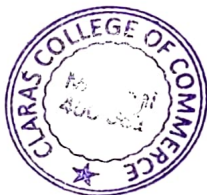

The Add on course in Fundamentals Knowledge of Mathematics & Statistics at Clara's College, facilitated by Mr. Choudhary, was a resounding success. Participants gained valuable insights into mathematical and statistical principles, equipping them with essential skills for their academic and professional pursuits. The College looks forward to organizing similar programs in the future to continue promoting excellence in education and skill development.

A Report on Add-On Course titled 'Human Rights and Consumer Protection Act 1986'

Date: 10th January, 2024 to 19th January, 2024.

Timing: 11:00am to 2:00pm.

Duration: 30 hours

Classes: First Year and Second Year.

Mode: Offline

Participants: 59

FDP/SDP: SDP

Department: IQAC & All Department

Resource Person: Ms. Kajal Jaiswal

Following were the objectives of this course:

1. The objective of this course is to provide participants a comprehensive understanding of consumer protection laws and human rights principles, equipping them with the knowledge and skills necessary to advocate for consumer rights and promote human rights in various sectors.
2. The objective was to create a fair, transparent and ethical marketplace that protects both consumers and their rights while fostering responsible business practices.

The following topics were covered from 11:30 am to 2:30 pm everyday.

Sr.no.	Date	Day	Topic
1	10 th January, 2024	Wednesday	Introduction to Consumer Protection and Human Rights
2	11 th January, 2024	Thursday	Legal Framework and International Instruments
3	12 th January, 2024	Friday	Consumer Rights and Responsibilities
4	13 th January, 2024	Saturday	Human Rights Principles and Concepts
5	15 th January, 2024	Monday	Consumer Protection Laws and Enforcement
6	16 th January, 2024	Tuesday	Human Rights Institutions and Mechanisms
7	17 th January, 2024	Wednesday	Consumer Education and Awareness
8	18 th January, 2024	Thursday	Vulnerable Consumer Groups
9	19 th January, 2024	Friday	Intersection of Consumer Protection and Human Rights
10	20 th January, 2024	Saturday	Future Trends and Challenges

[Signature]
Principal

Claras College of Commerce
Yari Road, Versova,
Andheri (W), Mumbai-400 061

The following topics were covered in the 3-hour session held for ten days. The details of each day session have been provided below.

Day 1. Introduction to Consumer Protection and Human Rights – Overview of consumer rights and human rights, importance and relevance in today's society, historical background and evolution.

Day 2. Legal Framework and International Instruments – Laws and regulations governing consumer protection and human rights, international treaties and conventions, role of international organizations.

Day 3. Consumer Rights and Responsibilities – Detailed exploration and consumer rights, understanding responsibilities of consumers, case studies and real-life examples.

Day 4. Human Rights Principles and Concepts – Fundamental human rights principles, types of human rights (civil, political, economic, social, cultural), Universal Declaration of Human Rights (UDHR).

Day 5. Consumer Protection Laws and Enforcement – National and regional consumer protection laws, enforcement mechanisms and agencies, consumer redressal mechanisms.

Day 6. Human Rights Institutions and Mechanisms – Role of human rights institutions (e.g. Human Rights Council), mechanisms for monitoring and reporting human rights violations, human rights advocacy and activism.

Day 7. Consumer Education and Awareness – Importance of consumer education, strategies for raising consumer awareness, digital literacy and consumer rights online, helpline number for consumer to file complaint.

Day 8. Vulnerable Consumer Groups – Rights of vulnerable consumer groups (children, elderly, disabled), challenges they face in accessing goods and services, legal protections and support systems.

Day 9. Intersection of Consumer Protection and Human Rights – How consumer protection and human rights intersect, case studies on human rights violations in consumer contexts, advocacy for consumer rights within human rights frameworks.

Day 10. Future Trends and Challenges – Emerging issues in consumer protection and human rights, technology's impact on consumer rights and human rights, strategies for addressing future challenges.

Dr. Babita Kanojia and Mrs. Jisha Varghese coordinated the course and Ms. Dhanashree Adam helped them in certificate distribution.

Class: All Classes

Title: IPR: An Overview

Objectives:

1. To sensitize students regarding Intellectual Property Rights
2. To create awareness about its legal policy and procedure.

No of Participants /Beneficiaries: 92

Organizer: Internal Quality Assurance Cell (IQAC) in collaboration with all the Departments of Clara's College of Commerce

Resource Person: CS Swapnil Shenvi.

REPORT

Clara's College of Commerce organized an offline Session on "Intellectual Property Rights-An Overview" on 1st August 2023 at 08:30 am for the students. The main objectives behind organizing this event were to sensitize students and teachers regarding Intellectual Property Rights and to create awareness about its legal policy and procedure.

CS Swapnil Shenvi, (Core Faculty & BAF- Coordinator), at M.L.Dahanukar College of Commerce, University of Mumbai, teaching Taxation, Financial Accountancy, Cost Accountancy, Auditing, Business Law, Industrial Law, and Media Laws to students of B.M.S., B.A.F., B.F.M., B.B.L., and B.M.M. was the speaker for the session. The session dealt with creating awareness about the need and importance of Intellectual Property Rights (IPR) relating to policy and procedure. The lecture was well structured and covered various aspects of Intellectual Property Rights (IPRs). He has discussed the policy and procedure of IPR, narrated various issues of it, and later on focused on the emerging issues of IPR. He has also thrown light on Trademark Prosecution in India. Relevant queries were raised from the side of student delegates. They got justified answers from the speaker. The interactions were very relevant and meaningful. Participants would be benefitted from this event.

The program ended with a vote of thanks by Mr.Reetesh Singh

IQAC Coordinator Dr.Babita Kanojia organized activity as an in-charge and anchored the program.

The numbers of beneficiaries were

CLASS	MALE	FEMALE	TOTAL

Report on "Basics of Wealth Creation: Mutual Fund"

Date: 9th August, 2023

Duration: 1.30 hours

SDP/FDP: SDP

Class All Classes

Resource person: Ms. Neha Goyani

Objective: To provide students with an understanding of the concept of mutual funds, their types, benefits, and the role they play in personal finance and investment.

Number of Participants: 78

Organizer: IQAC & all departments

Report:

The IQAC & all departments of Clara's College of Commerce had organized a one day seminar on "Basics of Wealth Creation: Mutual Fund" on August 09, 2023 in IT Lab. Seminar started with a welcome speech by Ms. Samina Choudhary. She addressed the students and introduced our Guest speaker Ms. Neha Goyani, Sales Manager (FTAM). After that Ms. Neha Started Interaction with our students on the topic of Saving & Expenditure and Investment, Planning. Later on she coined the mutual fund concept, its advantages & disadvantages. She further explained how to invest in mutual fund and what precaution should have to take by investors. The queries of students were answered at the end of the programme.

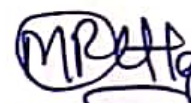

The distribution of beneficiaries were as follows:

Participants	Female	Male	Grand Total
Undergraduate	50	28	78
Grand Total	50	28	78

Outcome: A one-day seminar on mutual funds proved to be highly informative and beneficial for all participants the event successfully achieved its goal of enhancing financial literacy and equipping students with valuable insights into the world of investment.

Report on 'ExcelR'

Date: 10/01/2024

Venue: Online Mode

Time: 07:00 PM to 09:00 PM

SDP/FDP: SDP

Name of the resource person: Mr. Rizwan Shaikh

Objectives: The programme is designed to enhance the learning and research skills of the participants, to make them aware about modern innovations in AI. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. The primary goal of artificial intelligence is to develop a technology that will capacitate computer systems to perform independently of human intervention and intelligently. Data analytics has become increasingly important in the enterprise as a means to analyze and shape business processes, and to improve decision-making and business results.

No of Beneficiaries: 114

Organizer: IQAC

Report:

- Data analytics is the collection, transformation, and organization of data in order to draw conclusions, make predictions, and drive informed decision making. Data analytics is often confused with data analysis.
- Artificial intelligence is based on the principle that human intelligence can be defined in a way that a machine can easily mimic it and execute tasks, from the most simple to those that are even more complex. The goals of artificial intelligence include mimicking human cognitive activity.
- Data science is the study of data to extract meaningful insights for business. It is a multidisciplinary approach that combines principles and practices from the fields of mathematics, statistics, artificial intelligence, and computer engineering to analyze large amounts of data.

Outcome:

- Students will become proficient in the statistical analysis of data and the use of computation tools for data analysis. Students will apply statistical and computation tools to applied problems, and clearly communicate the results in both written reports and oral presentations.
- Develop systems that process unstructured, uncurated data automatically using artificial intelligence (AI) frameworks and platforms. Determine the framework in which AI may function, including interactions with users and environments. Design and implement cognitive automation for different industries.

No of Beneficiaries: 114

Report on Research Project Presentation Competition

Date: 14th March 2024

Venue: IT Lab

Time: 9:00 AM

SDP/FDP: SDP

Organizers: IQAC and Research Committee

Beneficiaries: 49

Overview:

The Research Project Presentation Competition was held on 14th March 2024 at the IT Lab, with participants from the TYBMS and TYBAF sections showcasing their research projects. The event was organized by the Internal Quality Assurance Cell (IQAC) and Research Committee to promote academic excellence and research culture among students.

Participants:

Students from M.Com, TYBMS and TYBAF sections enthusiastically participated in the competition, demonstrating their research projects through PowerPoint presentations.

Coordination and Judging:

The event was coordinated and judged by esteemed faculty members, namely Dr. Babita Kanojia, Dr. Sakshi Kumar, and Mr. Vijay Kumar. Their expertise and guidance ensured the smooth conduct of the competition and fair evaluation of the presentations.

Winners:

After careful evaluation, the following students emerged as winners:

1. First Position: Ms. Hafsha Mansuri from TYBMS section delivered an outstanding presentation, securing the first position. Her research project demonstrated a high level of innovation, depth, and relevance.

2. Second Position: Kinjal Rodrigues, also from TYBMS section, impressed the judges with her well-researched presentation, earning the second position. Her project showcased meticulous analysis and critical thinking.

3. Third Position: Khadija Sakri from the TYBAF section secured the third position with a commendable presentation. Although the name was not specified, the student's effort and contribution were acknowledged by the judging panel.

Beneficiaries:

Class	Male	Female	Total
TYBMS	13	16	29
TYBAF	05	13	18
M.Com	01	01	02
Total	19	30	49

Conclusion:

The Research Project Presentation Competition provided a platform for students to exhibit their research skills, creativity, and academic prowess. The event not only fostered healthy competition but also encouraged students to delve deeper into their respective fields of study.

NOTICE

Notice/78(B)/2023-24

6/12/2024

All the students are hereby informed that Clara's College of Commerce is organizing 10 days add-on course for students on 'Techniques of Data Analysis' from 14th December, 2023 to 23rd December, 2023 at 10.00 am to 02.00 pm.

All the students are requested to kindly attend this session and benefit from the same.

(Dr. Madhukar Gitte)
Principal
Claras College of Commerce
Yari Road, Versova,
Andheri (W), Mumbai-400 061.

Add-on Course Report: Techniques of Data Analysis

Organized by: IQAC Department and All Departments, Clara's College of Commerce

Dates: December 14th to 23rd, 2023

Timing: 11:00 AM to 2:00 PM

Resource Persons: Dr. Babita Kanojia and Dr. Sakshi Kumar

Beneficiaries: 46 (26 Male & 20 Female)

SDP/FDP: SDP

Summary of Topics Covered:

Day 1 (Dec 14th): Introduction to Data Analysis

- Definition and importance of data analysis in various fields.
- Different stages of the data analysis process.
- Introduction to various data analysis tools and techniques.

Day 2 (Dec 15th): Data Cleaning and Preparation

- Techniques for identifying and handling missing data.
- Methods for dealing with outliers and inconsistencies.
- Data transformation and feature engineering concepts.

Day 3 (Dec 16th): Exploratory Data Analysis (EDA)

- Understanding the structure and characteristics of data.
- Identifying patterns, trends, and relationships within the data.
- Techniques for summarizing and visualizing key data elements.

Day 4 (Dec 18th): Data Visualization Techniques (In-depth)

- Exploring different types of data visualizations (charts, graphs, etc.).
- Choosing the right visualization based on data and purpose.
- Creating effective and clear visualizations using appropriate tools.

Day 5 (Dec 19th): Descriptive Statistics

- Understanding measures of central tendency (mean, median, mode).
- Exploring measures of dispersion (variance, standard deviation).
- Summarizing data using various statistical techniques.

Day 6 (Dec 20th): Introduction to Inferential Statistics

- Understanding the purpose and applications of inferential statistics.

- Concepts of population, sample, and sampling techniques.
- Introduction to hypothesis testing and its role in data analysis.

Day 7 (Dec 21st): Hypothesis Testing

- Formulating null and alternative hypotheses.
- Selecting appropriate statistical tests based on data type.
- Interpreting p-values and drawing conclusions from tests.

Day 8 (Dec 22nd): Regression Analysis

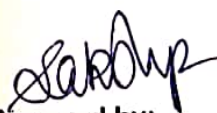

- Understanding linear regression models and their applications.
- Interpreting regression coefficients and assessing model fit.
- Using regression analysis to predict future outcomes.

Day 9 (Dec 23rd): Time Series Analysis

- Analysing data collected over time intervals (daily, monthly, etc.).
- Identifying trends, seasonality, and other patterns in time series data.
- Forecasting future trends using time series analysis techniques.

Male	Female	Total
26	20	46

In conclusion, this add-on course on Techniques of Data Analysis offered a comprehensive introduction to various data analysis concepts and methodologies. A total of 46 participants, both male and female, benefited from the course, gaining valuable knowledge and skills in data cleaning, visualization, statistics, and advanced techniques like regression and time series analysis. This newfound expertise will empower them to extract meaningful insights from data, ultimately contributing to informed decision-making in their respective fields.
