NOTICE

Mentoring is a partnership between Mentor and Mentee. Mentors are student-centric teacher-friends who help young adult learners in their transitory phases and challenging times. It is based on mutual trust and respect. It has been introduced for obtaining a holistic assessment of the learners' performance and providing inclusive spaces for growth and development. Mentors apply their guidance, experience and expertise in promoting their mentees professionally and personally, through interpersonal engagement.

Objective:

- To establish a rapport with the students.
- To cater to the individual needs of the students.
- To build confidence in them.
- To provide guidance about higher education and personal issues.
- To provide guidance regarding the placement opportunities.
- To pay more attention to slow learners.
- To inspire and motivate the advanced learners towards innovation and creativity through active participation.
- To share the progress report of students to parents in PTA meetings.

All faculties are hereby informed to kindly check your Mentee's name to discuss their academic performance to discuss their issues related to academic aspects.

NOTICE

During the COVID-19 pandemic, mentoring is needed more than ever. Students are not just facing a physical threat but are also subject to emotional and social challenges brought on by the virus. Mentoring has the potential to diminish academic and personal stress and reduce lockdown depression and anxiety. As we face this global pandemic, it is important that we take time to think in different ways to support ourselves and our mentees.

All faculties are hereby informed to kindly check your Mentee Allocation List for the academic session 2020 -21. Kindly ensure your availability for telephonic mentoring on every Second and Fourth Saturday between 11.30 am to 12.30 pm.

NOTICE

Mentoring is a partnership between Mentor and Mentee. Mentors are student-centric teacher-friends who help young adult learners in their transitory phases and challenging times. It is based on mutual trust and respect. It has been introduced for obtaining a holistic assessment of the learners' performance and providing inclusive spaces for growth and development. Mentors apply their guidance, experience and expertise in promoting their mentees professionally and personally, through interpersonal engagement.

Objective:

- To establish a rapport with the students.
- To cater to the individual needs of the students.
- To build confidence in them.
- To provide guidance about higher education and personal issues.
- To provide guidance regarding the placement opportunities.
- To pay more attention to slow learners.
- To inspire and motivate the advanced learners towards innovation and creativity through active participation.
- To share the progress report of students to parents in PTA meetings.

All faculties are hereby informed to kindly check your Mentee's name to discuss their academic performance to discuss their issues related to academic aspects.

Day: Every Second and Fourth Saturday between 11.30 am to 12.30 pm
